## PRINCIPAL'S MESSAGE

*13 October 2014*

Welcome to Week 2, our Swim Scheme continues today and the swim coaches are impressed by the improvement in our students' swimming. Whilst the program does require adjustments to our school timetable it is very valuable program.

We are currently evaluating all areas of our school in preparation for the development of our 2015-2017 School Plan. We will be asking our parents to complete a survey to gauge community thoughts and expectations. In previous years this has been completed by pen and paper. We will be calling a random sample of parents to survey their opinions. If you would like to be sent the link to the survey to have your say please notify the office and we will email you the link. The link will also be uploaded to our website shortly.

Our teachers throughout this week will be reinforcing the need for children to walk home safely and be aware of cars when walking. Could all parents please take the time to reiterate the importance of being aware of cars when walking home.

School photos are on Monday, 20 October. All children have now received their envelopes. These envelopes need to be handed with the correct amount of money to the photographer on the day as school does not handle any money.

Can I ask that our parents and carers ensure children do not arrive at school prior to the 8.45 am bell. Teachers are rostered on to ensure we have supervision of the play areas throughout the day. Could you please ensure that all children arrive after this bell as we want to ensure all children are safe at all times.

Have a great week at TPS.

## KINDERGARTEN

Welcome back to Term 4. We have already had one busy week with many more to follow. We hope everyone had a great holiday and has been recharged ready for the Term ahead.

We would love to see more helpers along to groups if you have a little time to spare particularly Tuesday afternoons at 2.15pm. We would appreciate anyone who can come at about 2.30pm on any day and listen to children read to them.

Lots of wonderful children are just completing their Gold Licence cards, which shows they are all doing the right thing and trying hard. Congratulations! These awards will begin to be handed out from Friday Week 3. Congratulations also to the many children who are consistently completing Home Reading and earning their certificates. Keep it up!

This term we will be learning more about our needs and wants in our HSIE unit "Meeting Needs" and we complete our Science unit "Paddock to Plate" where we will find out where our food comes from. Sport will still be on Thursday morning and children will learn games and they will practise catching in Fundamental Movement skills.

We will have term assessments for yearly reports very soon and we will begin to learn a Christmas song for the end of year family Carols Night.

All Kinder children are able to enter the Talent Quest to be held the last day of term. They need to get practising and be ready for auditions about week 7 or 8.

So as you can see we will be very busy this term again. If you have any questions or problems, please remember to feel free to make an appointment to discuss things with us.

Sue Hurley and Lee Girdham

## 1G

What a week! Year 2 here we come!

Wonderful readers!

Congratulations to each and every student for their hard work and positive attitude entering term four. Please talk to your child about the goals that they have set and how they plan to work towards achieving them this term.

In History, we are learning about celebrations. There will be a big surprise unveiled on Thursday that the children are very excited about. Now more than ever, as we prepare for Year 2, it is imperative that children are reading at home as much as they can. This includes reading to an adult, and hearing adults read to them too!

As always, week one is a great time to restock your child's pencil case - coloured pencils and glue sticks are always needed.

I look forward to sharing this very exciting term with the children in 1G and their families.

## 2TD

Welcome to week 2! We were so impressed with the effort and behaviour of the students involved in swim scheme, well done. The students who remained at school were also fabulous! Reading groups will start again next week. Monday, Wednesday and Friday at 9:10 and Tuesday at 10. The first homework grid for the term will be sent home today. Students have TWO weeks to complete these grids.

If you have any questions please do not hesitate to come and speak with us.

Have a great week,

Heather Towns and Kate Day.

Thank you - Mrs Shaw

## REMINDER - SCHOOL PHOTOS 2014

School Photos are on next **Monday, 20 October**. Students are requested to wear their **full summer school uniform**. Students are requested to bring their 'The School Photographer envelope' with them to school. If you require a replacement envelope or a family photograph envelope, please contact the school's front office. The 'School Photographer' will **NOT** be able to issue change on the day.

## TALENT QUEST

The Talent Quest this year will be held on the last day students attend Wednesday, 17 December from 9.00am. Students need to begin rehearsing and preparing an item very soon. Our students are usually very enthusiastic about this wonderful opportunity to showcase their talents!

Students have performed many various types of acts in the past. They can sing, dance, act out a skit, be a stand up comic or even do a display such as karate.

We will be holding auditions for this much anticipated event later in the term. Be careful to check song lyrics to be sure they are appropriate. Further information will follow. Start practicing now!

Cheers - Mrs Hurley

## TUGGERAWONG PUBLIC SCHOOL OOSH NEWS!!

Welcome back everybody!!! Here at OOSH we have had a wonderful first week back. The children have been involved in some awesome experiences already this week.

We sat with the children and informed them that we have received all of our information for our sponsor child. Her name is Roidah from Zambia, we will be getting the children to write letters and draw pictures that we can send to her. This will be an ongoing process so we will keep you all informed with our connections with Roidah.

Now that we have entered Term 4, we all did some brainstorming on ideas of what our next group project will be this term. last term was our super hero fruits, this term we will be starting some self-portraits, focusing on all the things we have learnt from our incursion from the holidays, Mike from Mike's Cartooning World came and showed us some easy ways to draw cartoons, he also gave us a DVD so we can practice. Ash, Lucy and Natasha had a go at some of the techniques that were on his DVD.

Rhiannon created a sensory experience with the children yesterday, she made snow, using shaving cream, Bi-card soda and glitter, the children were able to manipulate the show and feel the different texture.

This term you will see some changes here at OOSH, with a new garden made by the children, along with a really cool scare crow, as well as some other little things around our room. If you have any ideas or input into our daily program we really would love to hear your feedback.

Vacation care was an absolute hit; we had the best two weeks. Rhiannon and Ash have already started the itinerary for the next holidays, so keep an eye out as the booking forms will be out earlier this term :)
