## PRINCIPAL'S MESSAGE

*27 October 2014*

It is great to be back from the Principal's Conference. I am looking forward to getting back into classrooms and sharing some of the great experiences from my week.

What a great night our Trivia night was! Thank you to our P & C for hosting a night that I think should become regular event.

This week Mrs Miller will be joining Mr McNally's class this week on her 3 week internship.

We welcome our 2015 Kindergarten students this week for the first week of Head Start. Our Kindergarten teachers for next year will be Mrs Shaw and Mrs Hurley. I know our new Kindies will enjoy a great day.

I have had a few members of our community ask about the canteen and credit. The canteen does not offer credit when purchasing items as they need to pay companies to provide the food. Can I ask that parents do not ask for credit as it puts our volunteers in a difficult position of having to deny the request. Also due to health regulations student's food cannot be reheated in canteen. I ask for your assistance in ensuring food provided for our students is appropriately prepared to be eaten during the day without being reheated.

We are currently tracking our enrolments and our school is very close to creating a new class for 2015. If your child will not be returning in 2015 to Tuggerawong PS can you please make Cheryl in the front office aware as we need to ensure we have accurate numbers before creating classes for next year.

Also just a quick reminder that our Focus on Reading Parent Information Session will be held at the school from 11.00 am until 1.00 pm on Tuesday, 4 November in the Community Room.

Have a great week at TPS.

**Owen Dalkeith - Principal**

# AROUND THE CLASSROOMS

## 1/20

Last week was another busy week of learning in 1/20M. The students have been learning about frogs and their life cycle and will be using this information in their writing. We were lucky enough to have a real frog come and visit us for the day. Thanks Joshua, for sharing your pet frog with 1/20M.

**Homework** - A new homework grid will be sent home today to be completed over the next two weeks.

**Home reading** - We are trying to motivate all students in 1/20M to complete home reading every day. We have started a visual chart in our classroom for students to see their progress. Please encourage your child to bring in their home reading diary so we can track their progress and acknowledge their effort. Well done to those students who have been bringing in their home reading diary regularly!

**Talent quest** - The annual talent quest will be held at the end of the term. If your child would like to audition they will need to start practising as auditions will be held in a few weeks. We are looking forward to seeing if any students in 1/20M have any hidden talents that will be showcased at the talent quest.

Remember our door is always open if you have any questions or concerns.

Have a great week!

Miss O'Connor and Mrs Melvin

## 1G

### 1G Self Portraits

Emmalee

Darcy

Ellie

Here is a selection of the brilliant self-portraits drawn by the talented artists in 1G!

iPads are now used daily in our literacy sessions to teach reading, writing and spelling.

1G has been very busy in the last two weeks and every student is working towards their Term 4 goals! It was very exciting to have a class 'celebration' as part of our History unit. **Please note that PE is now on a Tuesday afternoon. Don't forget to wear PE uniform tomorrow!** As the weather becomes warmer, please pack cold water in your child's bag for them to drink throughout the day. Don't forget to continue home reading and homework as we continue our final term before our students move to Year 2. I look forward to catching up with 1G parents throughout the week, **even** the parents who scored higher than the teachers at the school trivia night last weekend.

Mr G.

## 2TD

Welcome to week 4! The end of the year will be here before we know it! 2TD has been very busy writing informative texts on spiders and this week we will be starting to learn about persuasive texts. This week in Maths we are learning to tell time to the quarter hour and practising our 4 timetables. It was wonderful to see some of 2TD receive their gold licences at last Friday's assembly. Well done!

Equipment - Could you please check that your child has a glue stick? They seem to be running out and it makes it much easier for your child if they have their own glue stick.

PE - We have changed our PE day from Wednesdays to Tuesday afternoons for the remainder of the year. Please send your child to school on Tuesdays in appropriate footwear for PE activities. Many students aren't bringing hats daily and it is important we stay sun safe with the warmer weather approaching. Please ensure your child has a hat at school every day. Last week we had a great time practising our throwing and catching skills.

If you have any questions about anything happening in 2TD please don't hesitate to contact the office or send in a note so we can organise a meeting time.

Have a great week,

Mrs Towns and Mrs Day

## YEAR 6 TOMBOLA STALL

Last Tuesday, Year 6 students ran our Tombola Stall as part of the fundraising for the Year 6 Farewell. They stall raised an astounding \$468. Thank you to the whole school that were part of this activity. 6M did a great job of organising & running the stall out of their classroom. A big thank you to all of the parents & students of 4/5C & 6M who provided the Tombolas for sale.

## Trivia Night was a success!!

On behalf of the P & C and Fundraising Team, we would like to say a massive thank you to everyone who came and supported our school. It was a great night. We raised \$2274.

A big thank you to the wonderful Kerry Wood who kept things moving along as our 'MC' and to Gary from 'Trivialities' for hosting the trivia.

The night would not be possible without the support from our sponsors. Their kind donation made this night possible and a great success.

Thank you to the sponsors:

### **TUGGERAWONG PUBLIC SCHOOL OOSH NEWS!**

Just call us all master chiefs! This week the children have been able to engage and enjoy some delicious cooking experiences such as bacon and eggs for breakfast as well as some pancakes for Christopher's birthday. We then did some texture painting called Puff Painting using food like ingredient's which were flour, salt, water and food colouring. Once the children had created their art work Rhiannon then placed it into the microwave for 30 seconds, the end product looked unreal.

Rhiannon and Ash are getting very excited for the disco we are holding for the children, whose parents are attending the Trivia Night. There still are positions available for the disco.

The children have been still practising their cartooning skills either using them in craft or showing their skills on the white board. Some of the children are yet to complete their self-portrait. We would love the parents to come check out their awesome work. . We have begun to add more to our spring display, with the children colouring in some butterflies, for us to put up.

We welcome Jett to before and after school this week, just a reminder that we still have vacancies for before and after school care. If you have any inquiries about our service please don't hesitate to give us a call.

Now that it is getting warmer, we just would like to you remind you all that your child/children are required to have hat at after school care, we will be supplying sun screen.
