PRINCIPAL'S MESSAGE

10 November 2014

Welcome to week 6.

Wednesday is a big day for our Year 5 students as they get the opportunity to share their captain speeches with the school. I wish all of the prospective captains well.

Thank you to our parents who attended the 'Focus on Reading' parent information sessions. We will be holding more sessions before the end of the year. Mrs Day will also be also holding L3 parent information sessions later in the term.

Our third Headstart is on Friday. It was pleasing to see our new Kindies working in class last Friday without their parents. This week we have another information session for our parents in the Community Room.

Throughout the year our teachers work with our children to develop the TPS values of Responsibility, Respect, Excellence and Participation.

Children do not develop responsibility without careful guidance. Often parents will say to me "I want my child to be responsible but I simply can't trust her to do what I ask." They are unwilling to give the child any responsibilities because they fear the child will not be responsible.

Unfortunately lectures will not promote responsibility. Instead, responsibility comes from opportunities to be responsible, a chance to help, and by being part of a family that is involved in doing things for others.

As we enter the last month of schooling for 2014 it is timely for parents to expect more responsibility from your children. No matter what class they are entering for 2015 there will be an added expectation of greater responsibility.

Have a great week at TPS.

Owen Dalkeith - Principal

AROUND THE CLASSROOMS

KINDERGARTEN

This week we were learning about Celebrations, Procedures and half, so what a perfect time to make fairy bread and cut it in half before the best part, EATING!

1G

Have you seen our artworks on the school Facebook page? What a collection of talented artists in 1G. Each student uses their artwork to inspire their writing.

The waterfall is ginormous. It is very noisy. The water splashes on the rocks and they get wet. It is gorgeous. The water is blue and white. It is bubbly. When the sun hits the water it makes a beautiful, colourful rainbow. By Lily.

The waterfall is beautiful. The sun reflects on the water. When the water runs over the top of the mountain it makes a waterfall. The water is blue and white. This waterfall is quiet. There are rocks and plants next to the waterfall. I love waterfalls! By Sophie.

The waterfall is so gorgeous I want to touch it. It is huge. The water is hot because the sun is warming it up. There are lots of trees around the waterfall. It is very noisy. The water is black and blue with white on the waterfall. By Darcy.

Waterfalls can be all different shapes and sizes. It can make a lot of sound. Waterfalls are found all around the world. You can see mostly white on the water because it is splashing.

The water can jump off of the rocks and it can make it look like it is raining when it splashes. The sun reflects off of the waterfall and makes a colourful rainbow. By Emmalee.

A waterfall is big. It is blue and white. Around the waterfall there are rocks and stones. They are getting wet. By Cody.

Stage 1 have moved their sport to Thursday afternoon. Children need to wear their school sports uniform to school each Thursday. Please encourage your child to read at home each day to get ready to move up to Year 2 - there is only half a term to go! This term is going so quickly! Keep up the great work 1G. Mr Gaul

If you have any questions or queries, please do not hesitate to contact us. Have a great week!

Mrs Melvin and Miss O'Connor

2TD

Welcome to week 6! 2TD have been enjoying reading and writing persuasive texts. They really loved the book "The day the crayons quit". Ask your child to tell you why the crayons quit! This week we will be reading the book "I Wanna Iguana". Students in 2TD will be writing their own persuasive letters asking for their own exotic pet.

In Maths, we have been looking at measurement. This week we are learning to measure area using informal units.

Please ensure your child has their hat at school each day and that it is clearly labelled with their name. We have decided that we will be changing back to doing PE on a Wednesday rather than on a Tuesday.

As the end of the year draws closer it is still important that your child is completing their homework and is reading each night. A new homework grid is being sent home today and is due at the end of week 7 (21st November).

Last week we used a picture as a descriptive writing starter. Can you guess what the picture was of?

I'm a bird flying high above and I can see a big, grey elephant. The elephant is stomping and it's a tremendous sound. The trees are shaking and that is making the hyenas fall down, it is a terrible sight! By Isabelle

I am an eagle flying in the sky and all of a sudden I heard a loud noise. I landed on a tree and saw a battle. It was elephant's vs hyenas. The hyenas were trying to get the calf. The elephants kicked the hyenas away which made the hyenas growl and run away. By Brock

The grey elephant was kicking the orange and black hyenas while leaving grey dust and his children behind. It all started when the hyenas wanted the elephants child. They snuck in but the elephant could see them. He kicked them until they were gone. By Carlos

One day there was a mother elephant, a father elephant and a baby elephant. They were a lovely family. One day something really bad happened. A hyena came and tried to take the baby. The father tried hard to protect the mother and baby but it got so hard because more and more hyenas came. The mother elephant helped and that scared the hyenas away. The elephant family lived happily ever after. By Ella.

If you have any question or concerns please do not hesitate to come and speak with us. Have a great week,

Heather Towns and Kate Day

STAGE 2

The half way mark in the term has come around quickly and Stage 2 has been super busy in and out of the classroom. A large group of Stage 2 students represented our school at a friendly Oz Tag competition on Thursday down at Gosford with Mrs Shaw. Mrs Shaw said all students participated with enthusiasm and had an absolute ball! Well done to all students

who participated in this event and a big thank you to the parents who kindly gave up their time to take students to the event.

With reports fast approaching, Mrs Ruskin and Ms Debono have been busy assessing students and organising data for reports. Our students have been working hard all year and the data from assessments is very pleasing. Great job Stage 2!

SALVATION ARMY CHRISTMAS APPEAL

At Tuggerawong Public School it has been a tradition to invite the Salvation Army representative in our area to come to our Presentation Day to accept gifts brought in by our families for other children who are less fortunate. There will be a box in each classroom to deposit these gifts. They should not be wrapped up, as the organisers would rather see for whom the present is suitable.

Please be generous with this appeal, and send in a gift, no matter how small, so that your child can feel they have done something kind for someone less fortunate at Christmas. All gifts need to be in by Wednesday 10th December.
