## PRINCIPAL'S MESSAGE

*17 November 2014*

Welcome to week 7.

Our photos have arrived and have been sent home today. The extra curricular photos are displayed on the office window. An order envelope is available from the front office or you can order them online. More information below.

On Tuesday (tomorrow) our students will have a Mufti Day with the expectation that children will bring non-perishable food items to fill the P & C Christmas Hampers.

Our final Headstart is on Friday and culminates with a Teddy Bears picnic. Our 2015 Kindergarten students look ready for school and we are looking forward to them joining us next year.

This Wednesday Mrs Girdham, Ms O'Connor, Mr Gaul and Mrs Melvin will not be on class due to them continuing their L3 training.

Thank you to the parents who have notified me of their intentions for 2015. Creating classes and staffing a school is totally dependent upon the number of students. We are currently between 9 and 10 classes and each student enrolling or leaving makes a difference. As a result of the numbers being so close to the tenth class children will be returning to their 2014 classes at the commencement of school next year.

Morning and afternoons at Tuggerawong PS are a time when all parents are attempting to achieve the same thing i.e. the safe pick up or drop off of their children. It requires all of us to take the time to be cautious and safe around the crossings. Can I remind all parents that the areas immediately on either side of the crossings are not parking zones. Cars parked in these zones diminish the line of sight and therefore put our children at risk. I ask for your support in keeping our children safe.

Last week I discussed the schools values - Responsibility, Respect, Excellence and Participation. The key to Respect is the ability to see everyone as having value and having a healthy respect for difference. From speaking with our community I know that respect is

highly valued and we will continue to reinforce, model and expect this from our children. I thank all of our parents for their ongoing support.

We wish our Year 6 students all the best on Wednesday when they travel to Wadalba Community School as a continuation of their transition to high school.

**Have a great week at TPS.**

# AROUND THE CLASSROOMS

## STAGE 2

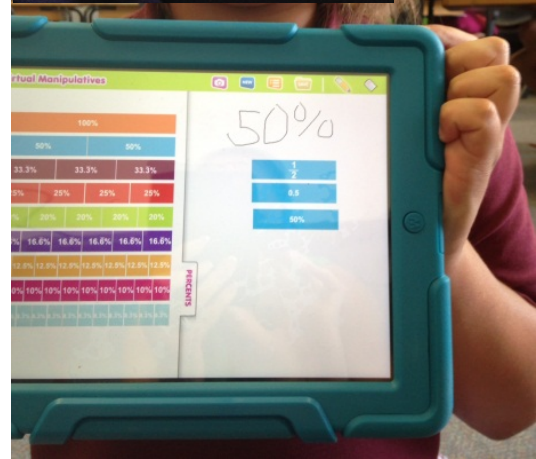

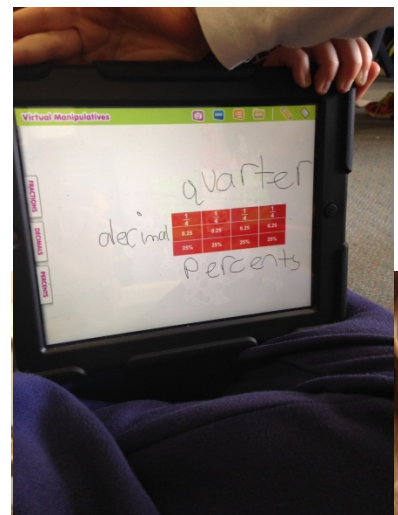

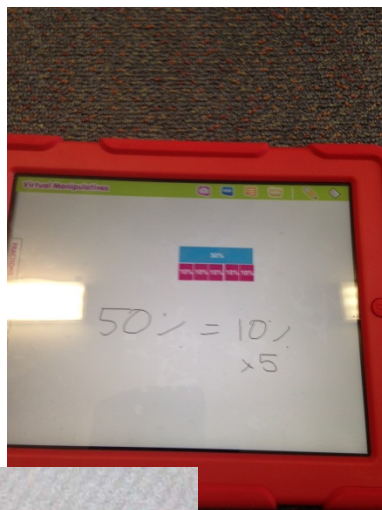

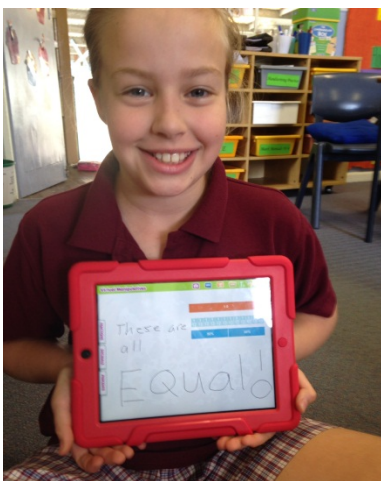

Even with 5 weeks left of the school year, Stage 2 are not slowing down! We have been so busy!

3/4D and 3/4H have started meeting at least once a week to practice our songs for the Community Christmas Carol night. We don't want to give too much away but the kids are getting very excited and they sound gorgeous! They are looking forward to performing on the night for parents and community members.

Both classes are working extremely hard as we approach the end of the year and with the inclusion of iPads into teaching and learning experiences, the possibilities are endless! We are accumulating and using a number of exciting apps to help consolidate mathematical and literacy concepts. The iPads also provide another device in which students can research information on the internet. They are engaging and portable which make them ideal learning tools for 21<sup>st</sup> century learners. We are really enjoying using them in our classrooms.

Ms Debono and Mrs Ruskin.

3/4D math groups- learning to compare fractions, decimals and percents

## 4/5C

Wow week seven already!!! It has been a huge term so far and we still have lots of learning to do!

Congratulations to all of those students who presented speeches in the past two weeks. The quality of work was absolutely fantastic. Thank goodness it was not a competition because I would not like to have chosen a winner, everyone did a wonderful job!

Congratulations also to those students who presented their speech to the entire school for leadership roles in 2015. It requires a lot of confidence to stand in front of the school and speak. Those students truly did 'participate with enthusiasm' and should be very proud of themselves!

Our year five students have been busy helping our new kindergarten students settle into school each Friday. They have been fantastic buddies and I have had lots of wonderful comments from the kindergarten teachers about excellent behaviour, great helping and students taking initiative.

Keep up the wonderful work 4/5C. It's going to be a busy few weeks as we are practising our Christmas carols, having a teddy bear picnic and some students will even be attending the year six farewell!

If you have any questions about anything happening in 4/5C please don't hesitate to contact the office or send in a note so we can organise a meeting time.

Thank you Mrs Cashin

## 6M

Last week 6M bid farewell to Mrs Miller, who was with us as a practicum teacher for 3 weeks. Mrs Miller brought great ideas and enthusiasm to the class, from which we all benefitted.

This Wednesday the students attending Wadalba Community School will be attending their BBQ and Sports day. This is part of the integration into the High School for 2015. Students attending other high schools continue to have their transition days on varying dates, please remember to keep the school informed of these movements.

Thank you to the parents who are involved in the organising of the Year 6 Farewell at Wallarah Bay on Monday, 15 December. We are looking forward to the event with invitations coming out this week.

### **SALVATION ARMY CHRISTMAS APPEAL**

At Tuggerawang Public School it has been a tradition to invite the Salvation Army representative in our area to come to our Presentation Day to accept gifts brought in by our families for other children who are less fortunate. There will be a box in each classroom to deposit these gifts. They should not be wrapped up, as the organisers would rather see for whom the present is suitable.

Please be generous with this appeal, and send in a gift, no matter how small, so that your child can feel they have done something

kind for someone less fortunate at Christmas. All gifts need to be in by Wednesday 10<sup>th</sup> December
