TERM 2

WEEK10

PRINCIPAL'S MESSAGE

19 July 2016

Welcome back to Term 3. I hope everyone had an enjoyable break and is looking forward to a busy and productive semester.

It is with a great sense of honour that I introduce myself to you as the new Principal of your child's school. I am delighted and humbled to be offered the opportunity to lead this wonderful school community and have already recognised the outstanding qualities and aspects of Tuggerawong Public School and how it is currently operating.

Since opening in 1957, this fabulous school boasts a long list of achievements in academics, technology, sport and extra-curricular activities to name a few.

SCHOOL SECURITY – 1300 880 021

I am extremely excited about being given the role of continuing the great name of this school and leading the team of students, teachers and community into the future.

I look forward to working closely with students, staff and parents to ensure Tuggerawong Public Schools vision is achieved and the school continues to excel. A vision that clearly values the success of the past and acknowledges the challenges of the future. A vision that is shared by the whole school community. I also look forward to meeting each and every one of you and working in a strong partnership to ensure the children at Tuggerawong experience the best possible educational journey. Most importantly, I look forward to meeting all of the children, as to me, they are the life of the school.

The staff, students and families I have met so far have offered me an extraordinary welcome with everybody being so friendly and willing to help me settle into the school. The students in particular have been going out of their way to meet and greet me and I must say that their friendliness, smiles and the way they wear their school uniform with pride has made a strong impression on me. The school motto 'Participate with Enthusiasm' has been unmistakable. The students clearly love their school and their teachers and they are very quick to tell me so. They are a real credit to you as their parents and families and I feel incredibly lucky to have this opportunity to be the school leader and to add further value to their educational experiences at Tuggerawong.

In the coming weeks I will be holding a meeting to introduce myself. There will be opportunity at this meeting to ask questions and for you to give me feedback about the school. This meeting will be advertised in the next edition of the Tuggerawong Tattler newsletter which will be sent home next Monday, 25 July 2016. I encourage you to come along. In the meantime please do not hesitate to come up and say hello to me if you are in the school or attending one of our invaluable events such as Education Week or Olymp-a-thon. If you would like to meet with me about any matter please contact the school office to make an appointment.

I very much look forward to the coming years in leading this school community and doing my best in offering the students of the Tuggerawong community a

world class educational experience that will allow them to develop the required skills, qualities and attributes that will stand them in good stead as they move into high school and then into their adult lives. I am excited by this opportunity.

Kind regards,

Grant McFarland

Principal

Hopefully your child has begun getting sponsors during the holidays. Remember, students and parents can ask grandma, grandpa, aunties, uncles, family friends, people at work etc for sponsorship. Under no circumstances should your child go door to door seeking sponsorship.

Prizes will be given to:

- *1 lucky person, drawn out of a hat, from each class, who raises \$10 sponsorship or more.*
- *Top three students who raise the highest amount of money*

To be eligible to participate in this event all students will need to raise a minimum of \$5.

SCHOOL SECURITY – 1300 880 021

Flexischools ordering cut off time has been moved to 9.15am, which allows canteen staff more time to prepare food.

As of Term 3 there will be NO over -the- counter lunch orders. All orders need to go through Flexischools. Any child that comes in with a lunch order will be given a cheese/bacon bun.

We understand that some parents may be finding this transition difficult, but we are more than happy to help you. We have a laptop set up in the canteen and Kylie or Bron can help you set up your account.

If you are considering volunteering we ask if you can come in on a Wednesdays to be trained, as this is our quieter day. We would love to have some new faces pop in.

Please like our Facebook Canteen Page "Tuggerawong Tuckerbox".
'Daily Specials' will be advertised on this page.

Donations for the Homeless

I am asking this generous community to donate small items. My mum puts together shoe boxes of various small items and delivers them to Coastal Shelter at Gosford. They then distribute them to the homeless. Items that she pops into each box may include Poppers, toothpaste, toothbrushes, hair combs, small baked beans & spaghetti, small shower gel, hand sanitizer, small containers of fruit salad (they are usually 4in a pack), disposable razors, beanies, small cans of tuna, socks and muesli bars. The reason she asks for small containers is so that it can all be compacted into a shoebox. If you are able to donate any items whatsoever, it would be really greatly appreciated. A box will be located at the office for items or please send them to school with your child for them to hand in. Thanks
