

TUGGERAWONG TATTLER

Participate with Enthusiasm in a Positive and Caring Environment

TUGGERAWONG PUBLIC SCHOOL

From the Principal

Dear Parents and Caregivers,

It has been wonderful spending time visiting classrooms and taking part in lessons this week. I am very impressed with the effort and attitude children are displaying towards their learning. Children are working hard to achieve their personal learning goals and teachers are planning explicit lessons with clear learning intentions and success criteria that are differentiated for diverse learners. It is wonderful to see the children working hard in their small group situations as well.

Mrs Cain and I were so proud of Group One in Macqlit who have completed the first module and are working hard to improve their spelling knowledge so they can apply it in their reading and writing.

Premier's Debating Challenge

Our fantastic debating teams competed in the second round of the Premier's Debating Challenge last week. The topic was that "Year 5 and 6 Classes Should Set aside 20 minutes Each Day to Watch and Discuss the News". As both teams were competing against each other, the Word Warriors were on the affirmative and the Talkinators had the negative. Both teams had some great arguments, but Talkinators came away with the win. The adjudicator (an ex-principal) was so impressed by the efforts,

manners and enthusiasm displayed by the debaters that she stopped in to tell me personally. Well done debaters, Mrs Wealleans and Mrs Wiseman for doing such a fantastic job!

Tuggerawong PS Road and Pedestrian Safety Survey

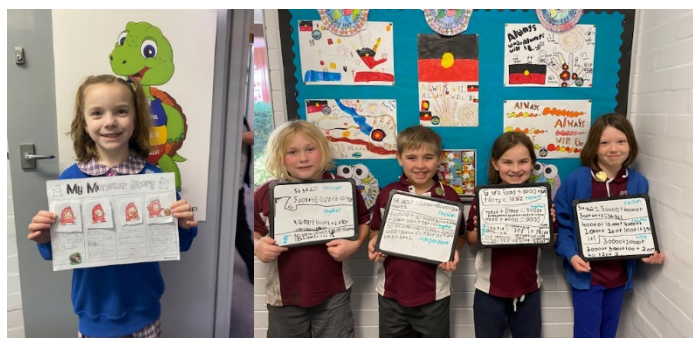

The school community has many ongoing concerns about the safety of the Cadonia Rd crossing for our students. In order to gather information for School Infrastructure NSW (SINSW) to take to Council who will then raise it with the "Traffic Committee" (involving the local member, Council, Police and other concerned traffic experts), we need to gather a wide range of information.

This information includes survey results from all families. Over the next week, each family will receive a survey sent home with youngest child. Please complete the survey and return it to school.

It is important that all surveys are returned so we can present the correct information to SINSW and Council in order to get this important matter looked into for the safety of our children.

SIGHT WORDS FOR KINDERGARTEN, YEAR 1 & 2

Your child may have come home with a Sight Word Booklet.

Sight words or high frequency words are words that are frequently used in texts and many are often unable to be sounded out. As such, students need to be able to recall these on sight.

Practicing sights words contributes to improving your child's confidence and progression in their reading and writing.

A number of fun ways to practice them at home is to write the words on cards and play games like Snap, Find Me, Matching.

Students will be tested on Fridays (we suggest keeping your words at home to practice until Friday).

If your child has trouble with a word when tested at school, we will add those words to the new list so they can continue working on them at home.

We have added a comments section on each list for you to write any comments or concerns you have in relation to your child's learning of those words.

Sight Words are.....See it, Say it!
